

**Information**  
**on taking photographs and making video recordings during the event organised by**  
**the Ignacy Łukasiewicz Rzeszów University of Technology on 17–19 June 2026**  
**and on their publication in the public sphere.**

The organizers of IV ASC – Aviation and Space Congress, with due regard for the privacy of its participants, inform that photographs will be taken and videos will be recorded during the event, which involves capturing the image of persons participating in the event.

The event is not open to the general public.

The captured image will constitute only an element of the whole photograph or recording documenting the course of the event and will be disseminated only in such form.

Photographs and recordings will be published on the website of the Ignacy Łukasiewicz Rzeszów University of Technology and on the University's official social media profiles, i.e. Facebook, Instagram, X, YouTube and LinkedIn.

If portrait photographs are taken, framed on a particular person or persons, the voluntary, informed and unambiguous consent of the person will be required to publish their image.
